- [Sultan urges safeguards as Iran war jolts energy markets](#) (2026-03-13 11:40)

BANDAR SERI BEGAWAN – His Majesty Sultan Haji Hassanal Bolkiah has called for stronger action to address global economic uncertainty, while urging members of the Legislative Council to focus on key national priorities. The monarch opened the 22nd session of the Legislative Council in his first public appearance since undergoing knee replacement surgery in January. In his titah, His Majesty said Brunei must remain alert to international developments and the impact of global geopolitical tensions on the economy, particularly as fluctuations in energy commodity prices could affect the country’s main source of revenue. Oil prices have surged past \$100 per barrel as the US and Israel wage war against Iran, sending energy markets into a tailspin over fears of a prolonged conflict. The sultan stressed that Brunei is not immune to these global pressures and called on members of the Legislative Council to work together in addressing any uncertainties that may arise. Economic diversification remains key priority To bolster the government’s fiscal health, the monarch urged a sustained push into new sectors and strategic investments that accelerate economic diversification. “The need to develop new areas is no longer a choice but a necessity,” he said, adding that progress must also [...] This story 'Sultan urges safeguards as Iran war jolts energy markets' appeared first on The Scoop.

- [Indera Motors unveils updated Defender](#) (2026-03-07 22:15)

BANDAR SERI BEGAWAN – Indera Motors, the sole authorised distributor of Land Rover in Brunei Darussalam, hosted an exclusive preview for the upgraded Defender on Friday. Held at Tarindak d’ Polo, the private event brought together owners and brand partners for an intimate first look at the refreshed Defender 110. The unstoppable 4x4 More than five years since its modern reintroduction, Defender continues to define contemporary all-terrain capability. Upgrades across the Defender line-up include a crisp new headlight design with signature graphic when lit, fog lights as standard, and flush rear lights with smoked lenses. A refreshed palette of contemporary exterior colours and finishes, including Woolstone Green and Borasco Grey, is complemented by enhanced detailing and upgraded materials. Inside, a larger 13.1-inch touchscreen provides even more intuitive control for infotainment. Technological upgrades see Adaptive Off-Road Cruise Control available as an option on Defender for the first time, making it even easier to negotiate rough terrain in comfort. “More than five years after its introduction, Defender has become an enduring success. With a bloodline that can be traced back to the first Series I of 1948, Defender continues to capture the imagination of our clients,” said Mark Cameron, managing director of Jaguar [...] This story ' Indera Motors unveils updated Defender' appeared first on The Scoop.
