- [AI-powered agri-tech startup BumiTrust wins DST Innovation Awards](#) (2026-05-25 15:25)

BANDAR SERI BEGAWAN – An artificial intelligence-powered agricultural solution has taken the top spot at the fourth edition of the DST Innovation Awards, capping off a six-week intensive entrepreneurship incubator for Brunei’s next generation of tech leaders. Team BumiTrust emerged as the champion of the Catalyst Programme Cycle 4 with its AI platform designed to monitor soil conditions and certify produce safety for local farmers and stakeholders. The flagship initiative, organised by Datastream Digital (DST) via the DST InnoLab, is aimed at fostering innovation and entrepreneurship among Bruneian youth, particularly university students. The winner’s circle Out of eight competing teams pitching ideas across agriculture, healthcare, tourism, and sustainability, three standout concepts claimed the top spots: • Champion: Team BumiTrust for its AI-powered agricultural solution designed to monitor soil conditions and certify produce safety. • First runner-up: Team Phyto (Guardian AI) for an AI-based early detection platform supporting cognitive healthcare intervention. • Second runner-up: Team Venyu for its real-time booking platform featuring verified listings and transparent pricing. Other notable participants pitching to the judges included Nawaitu (SEEK), BruDeTour, Rehijau, Seroja (T*AP), and Halal4N, each tackling pressing community and industry challenges. Bridging academia and industry Held at Mutiara Exchange, the closing ceremony [...] This story 'AI-powered agri-tech startup BumiTrust wins DST Innovation Awards' appeared first on The Scoop.

- [Proton Brunei welcomes 10,000 sMILEs convoy to the sultanate](#) (2026-05-23 23:15)

BANDAR SERI BEGAWAN – PAD Motors, the authorised distributor of PROTON cars in Brunei, proudly welcomed the arrival of the PROTON 10,000 sMILEs convoy as it crossed the border from Sabah, Malaysia, into Brunei Darussalam. Organised in conjunction with Visit Malaysia Year 2026, this landmark event represents a vibrant cultural and community outreach initiative. The welcoming ceremony was hosted at the state-of-the-art ECON Motors 3S facility, drawing distinguished guests, members of the media, and passionate PROTON community members from across Brunei. The expedition kicked off on May 16, 2026, from Kota Kinabalu, Sabah, under the tagline: “Bagi Senyum Bah, Senyum Sikit Mok Nangga “. More than just a road trip, this journey celebrates regional unity, cultural exploration, and deep community engagement through an immersive route across East Malaysia and Brunei. View this post on Instagram Putting PROTON’s latest engineering to the test, three key models are leading the charge: the all-new Proton Saga, the Proton X50, and the upgraded 2026 Proton S70, which features the powerful new i-GT 1.5L Turbo 4-cylinder engine. The PROTON 10,000 sMILEs activation spans a

grueling 5-round expedition, covering a combined distance of over 10,000 km across all participating vehicles. This ambitious trek is designed to showcase [...] This story 'Proton Brunei welcomes 10,000 sMILEs convoy to the sultanate' appeared first on The Scoop.

- [Inchcape launches Imperial Motors joint venture in Brunei](#) (2026-05-20 23:37)

BANDAR SERI BEGAWAN – Inchcape on Wednesday announced the incorporation of Imperial Motors Sdn Bhd, a new joint venture in Brunei Darussalam. In a statement, the company said the joint venture reflects its long-term commitment to the market and its strategy to build a diversified and scalable distribution network across the Asia Pacific. Imperial Motors has been established to enhance Inchcape Brunei’s existing operations and enable future distribution opportunities in Brunei, further strengthening its presence and capabilities in the local automotive sector. Imperial Motors joins Inchcape Brunei’s existing businesses, including NBT Brunei, Bravo Auto, and Inchcape Services. Together, these entities will provide a comprehensive and integrated automotive ecosystem in the market. Phil Jenkins, CEO of Asia-Pacific at Inchcape, said the new joint venture strengthens the company’s long-term presence in Brunei. “Imperial Motors represents an important step in strengthening our platform in Brunei. It reflects our strategy of building scalable, sustainable distribution businesses that create long-term value for partners and customers,” he said. Hj Ahmad Hj Husin, president of Inchcape Brunei and director of Strategy & Market Growth for South Asia and the Pacific, said the move supports the group’s continued growth in the country. “The incorporation of Imperial Motors further [...] This story 'Inchcape launches Imperial Motors joint venture in Brunei' appeared first on The Scoop.
